- **Dedicated liaison team for engaging with the regulators for seamless and hassle-free IPO process.**

OUR PRODUCTS

IPO CONSULTING

FinFive Management Pvt. Ltd. plays a pivotal role in handholding Corporates for public listing throughout the IPO journey. With the growing push for capital market access for businesses, we provide:

- **Pre-IPO Assessment:** Review of financials, compliance, and readiness
- **SEBI & Exchange Compliance:** Full support with documentation and coordination
- **Valuation & Structuring:** Guidance on IPO sizing, pricing, and funding strategy
- **Investor Outreach:** Pitch decks, roadshows, and investor engagement

As per SEBI guidelines, companies must fulfill the eligibility requirements as stated in the **SEBI Issue of Capital and Disclosure Requirements, Regulations 2018**.

FinFive actively assists companies in meeting these regulatory criteria and transforming from a privately held business to a publicly listed entity.

BUSINESS LOANS

At FinFive, we understand that every business has distinct financing needs. Our Business Loans offer swift, flexible, and reliable capital solutions to support expansion, asset acquisition, inventory management, and operational growth

Key Features-

- **Flexible options tailored to your business model and credit profile.**
- **Funding based on turnover, profitability, and growth potential.**
- **Extended repayment plans aligned with your cash flow for easy servicing.**
- **Quick Approvals with Minimal Paperwork**

SOLAR LOANS

- A solar loan is a type of financing offered to individuals, businesses, or institutions to purchase and install solar energy systems (like rooftop or land mounted solar panels).
- The capex enables the benefit of clean energy and minimal electricity bills.

Key Features-

- Compatible with government subsidy schemes
- Finance up to 100% of the project cost.
- Easy Equated Monthly Installments; can be customized based on energy savings.
- Secured or Unsecured based on the loan amount and borrower profile.
- Quick approvals and minimal paperwork.

PROJECT FUNDING

At FinFive, we provide structured project funding solutions designed for capital-intensive initiatives across infrastructure, industrial, and real estate sectors. Our innovative approach ensures transparency, financial discipline, and long-term success.

Key Features-

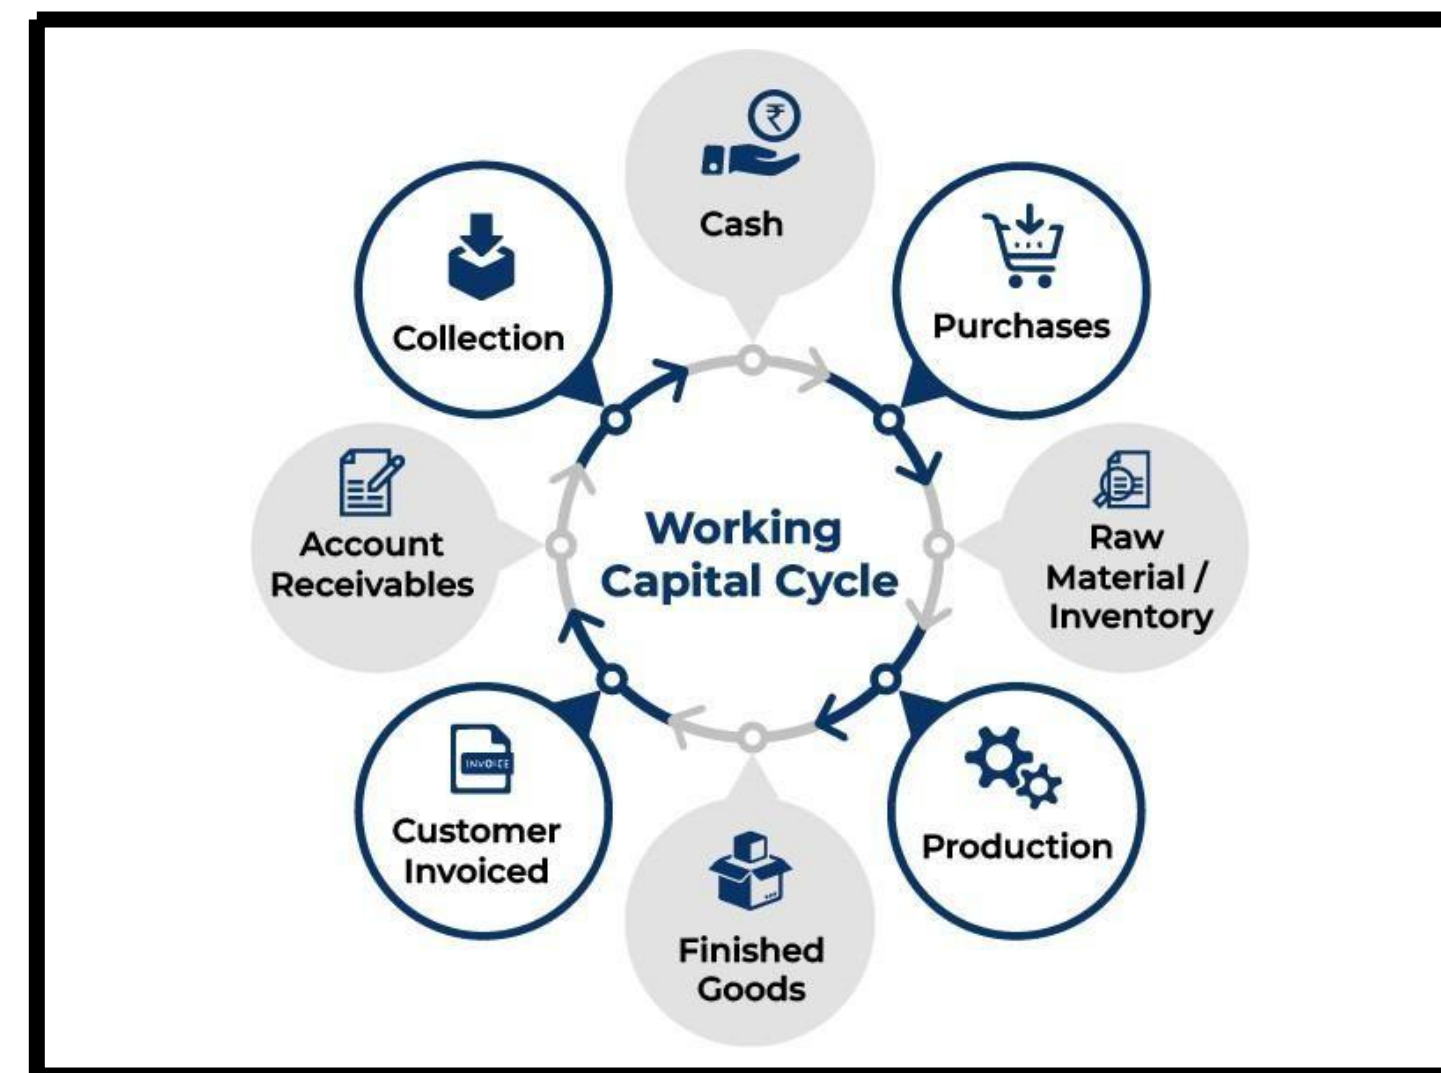

- **Preparation of DPR, TEV and Valuation reports**
- **Project funding available for eligible greenfield projects and expansions**
- **Innovative structuring with out-of the box solutions for complex transactions**
- **Expert Evaluation with financial modeling**
- **Large pool of potential lenders**
- **Regular Monitoring with support for Project Management Office**

WORKING CAPITAL FINANCE

At Fin5ive, we understand that consistent cash flow is essential to keeping your business running smoothly. Our Working Capital Finance solutions are designed to meet your short-term operational needs, ensuring uninterrupted business cycles and timely payments.

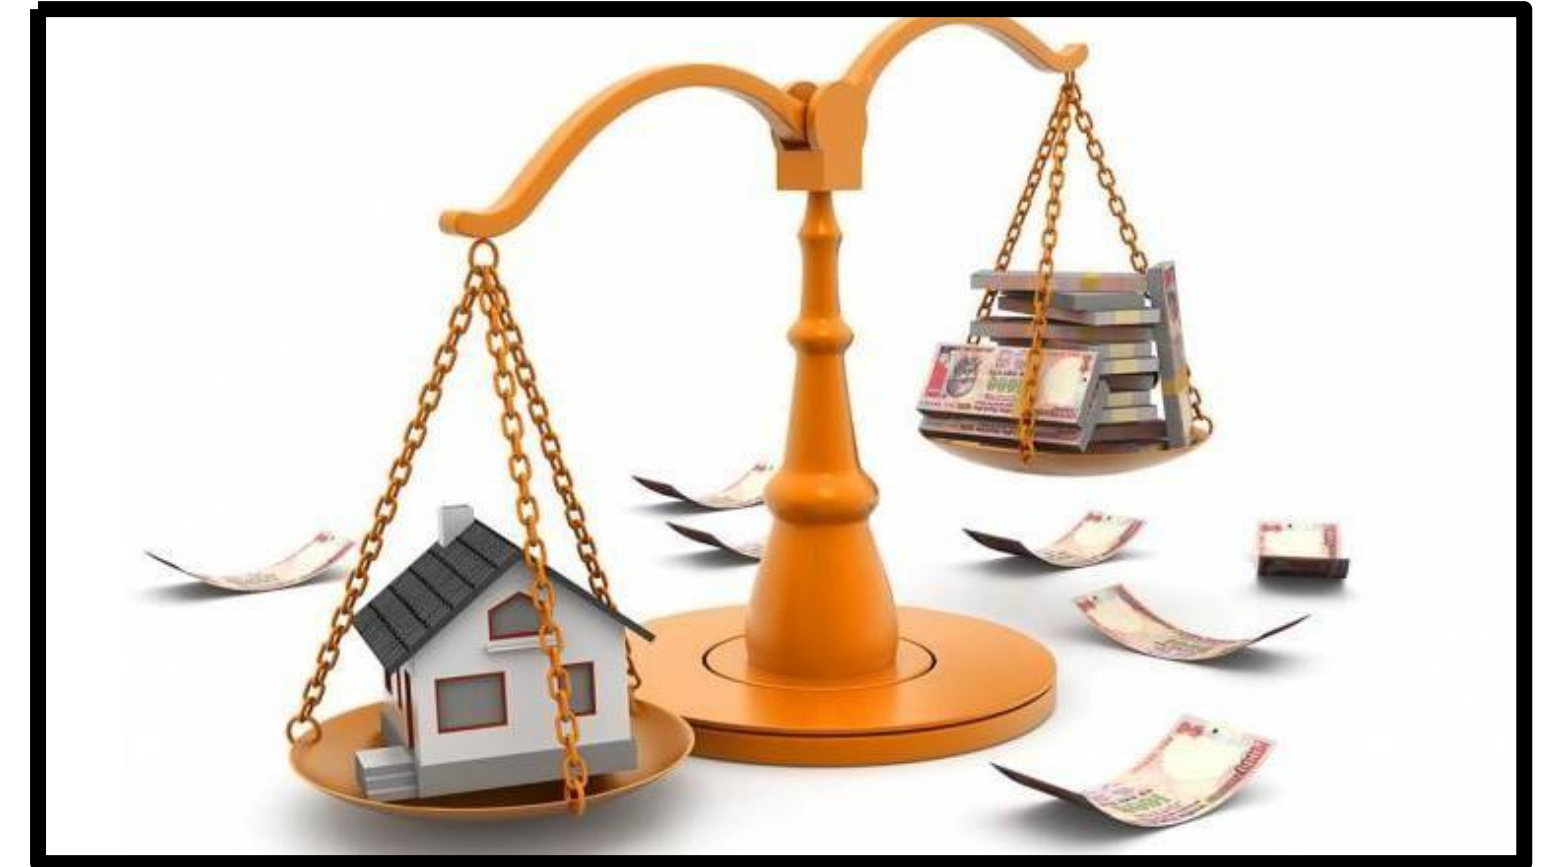

Key Features-

- Flexible options like cash credit, overdraft, and short-term loans
- Quick approvals with minimal documentation
- Customized limits and repayment terms
- Competitive interest rates for efficient cash flow
- Unsecured loans available for eligible businesses

LOAN AGAINST PROPERTY

Leverage your residential or commercial property to access high-value funding at competitive interest rates. Fin5ive offers customized Loan Against Property (LAP) solutions designed for business expansion, debt consolidation, or major personal expenses.

Key Features-

- High loan amounts based on property value
- Attractive interest rates with long repayment tenures
- Minimal documentation and fast processing
- Balance transfer and top-up facility available

LOAN AGAINST SECURITIES

Fin5ive enables you to unlock liquidity by pledging financial assets such as shares, mutual funds, or bonds—without liquidating them. This solution provides immediate funding while allowing your investments to remain active and continue generating returns.

Key Features-

- Instant liquidity against shares, mutual funds, bonds & more.
- Retain ownership and market gains on your investments.
- Competitive interest rates with flexible repayment options.
- Quick processing with digital documentation.
- Ideal for short-term personal or business needs.

SUPPORT FOR SUBSIDIES

At Fin5ive, we assist MSMEs in accessing Gujarat government schemes like the Aatmanirbhar Gujarat Scheme for interest subsidies, along with support for capital investment and technology upgrades, helping businesses grow and modernize efficiently.

Aatmanirbhar Gujarat Scheme for MSMEs

Offers interest subsidies to manufacturing MSMEs to ease their financial burden and promote industrial expansion.

Capital Investment Subsidy

- Aims to support MSMEs in upgrading infrastructure and expanding operations.
- Provides up to 45% assistance on investment in land, building, and plant & machinery for both new and existing industries.

Support for Certification

- Zero Defect. Zero Effect.
- Boost quality, reduce waste & earn government recognition.
- Get up to ₹3 Lakhs in financial subsidy
- ₹10,000 joining reward on first ZED pledge
- Consulting & tech support worth up to ₹5 Lakhs

CGTSME/GST Loans

Central government guaranteed CGTSME loans to businesses for working capital requirements

Solar Loans

Green finance to install roof-top on land mounted solar plant for business use

Home Loans

Affordable housing loans with attractive rates and easy documentation. We guide you at every step towards owning your dream home.

Personal Loans

Quick unsecured loans to meet personal needs like medical emergencies, travel, or other expenses. Flexible repayment and fast processing.

Education Loans

Financial assistance for higher education in India or abroad. Covers tuition, living expenses, and related costs with flexible repayment terms.

EMPOWERING GROWTH FOR EXPORTERS

We simplify trade finance by providing collateral-free working capital to exporters. Our offerings bridge the credit gap, enabling exporters to access funds quickly and grow sustainably.
