Our Domestic Product Offerings

Mutual Fund

A Mutual Fund is a professionally managed investment vehicle that pools money from multiple investors and invests it in a diversified portfolio of assets such as stocks, bonds, money market instruments, or a combination of these.

MODES OF MUTUAL FUND INVESTMENT

- Lumpsum Investment
- STP (Systematic Transfer Plan)
- SIP (Systematic Investment Plan)
- SWP (Systematic Withdrawal Plan)

WHY CHOOSE FIN5IVE?

- Registered with multiple reputed AMCs
- End-to-end financial advisory
- Personalized portfolio recommendations
- Goal-based investment planning
- Transparent & client-first approach

PMS / AIF

Custom portfolio strategies designed for high-net-worth individuals. These services offer focused investments aiming at superior risk-adjusted returns.

FIXED DEPOSITS

Secure investments with guaranteed returns over a fixed period. Perfect for conservative investors seeking capital protection and steady income.

NCDS/BONDS

Non-convertible debentures and bonds provide regular fixed interest income. Suitable for investors looking for predictable, stable returns.

UNLISTED SHARES

Access investment opportunities in companies before they are listed on stock exchanges. This option suits investors seeking higher growth potential with early entry.

RETIREMENT SOLUTIONS

Structured plans that help you build a secure financial future post-retirement. Designed to accumulate wealth systematically to meet future needs.

INITIAL PUBLIC OFFERING (IPO)

Opportunity to invest in companies during their initial public listing. We guide you through IPO applications for potential early-stage gains.

INSURANCE PLANS

Comprehensive protection through life, health, and general insurance. Safeguards your family and assets against unforeseen risks.

INTELLIGENT ADVISORY

Equity advisory products tailormade as per your investment budget.

Why Invest In Indian Economy

Strong Economic Growth: India's economy is expected to grow 6.5% from FY2024–27 to become the third-largest economy by 2027. Making it the fastest-growing economy within the Emerging Markets.

Large and Young Population: India boasts a population of over 1.4 billion most populous country in the world. With a median age of around 29 years, India is set to enjoy a substantial workforce driving economic growth.

Rising Middle Class: The per capital income of India is set to double from the current \$2,000 to \$4,000 by 2028. India's middle class will number over 700 million people by 2030. This demographic shift translates to increased consumption.

Make in India: Since its launch in 2014, India's "Make in India" initiative has catalysed diverse sectors. Such as automobiles, pharma, renewable energy & defence. In the last 9 years, over \$100 billion of FDI has come in the manufacturing sector.

Our GIFT CITY **Offerings**

Before that, know everything about GIFT City

What is GIFT City?

GIFT City (Gujarat International Finance Tec-City) is India's first smart city and International Financial Services Centre (IFSC).

When was it Operationalized?

The Government of India made GIFT City operational as an IFSC in 2015.

What is an IFSC?

IFSC offers financial services and products in any currency except the Indian Rupee (INR).

Who regulates GIFT City?

The International Financial Services Centres Authority (IFSCA), established in 2020, oversees GIFT IFSC.

WHO CAN INVESTS VIA GIFT CITY?
